# 360 DEGREE VIDEOBOOTH

Guests step onto a rotating platform captured in slow-motion 360° video. Enhanced by music overlays, branded frames, and on-site assistance, it delivers vivid, cinematic memories—ideal for social media-worthy event highlights.

# TOP MODEL 360 DEGREE VIDEOBOOTH

A premium version of the 360° Booth designed for posing like top models. It includes enhanced motion capture, runway-style movement tracking, and tailored visual effects to elevate every shot with high-fashion flair.

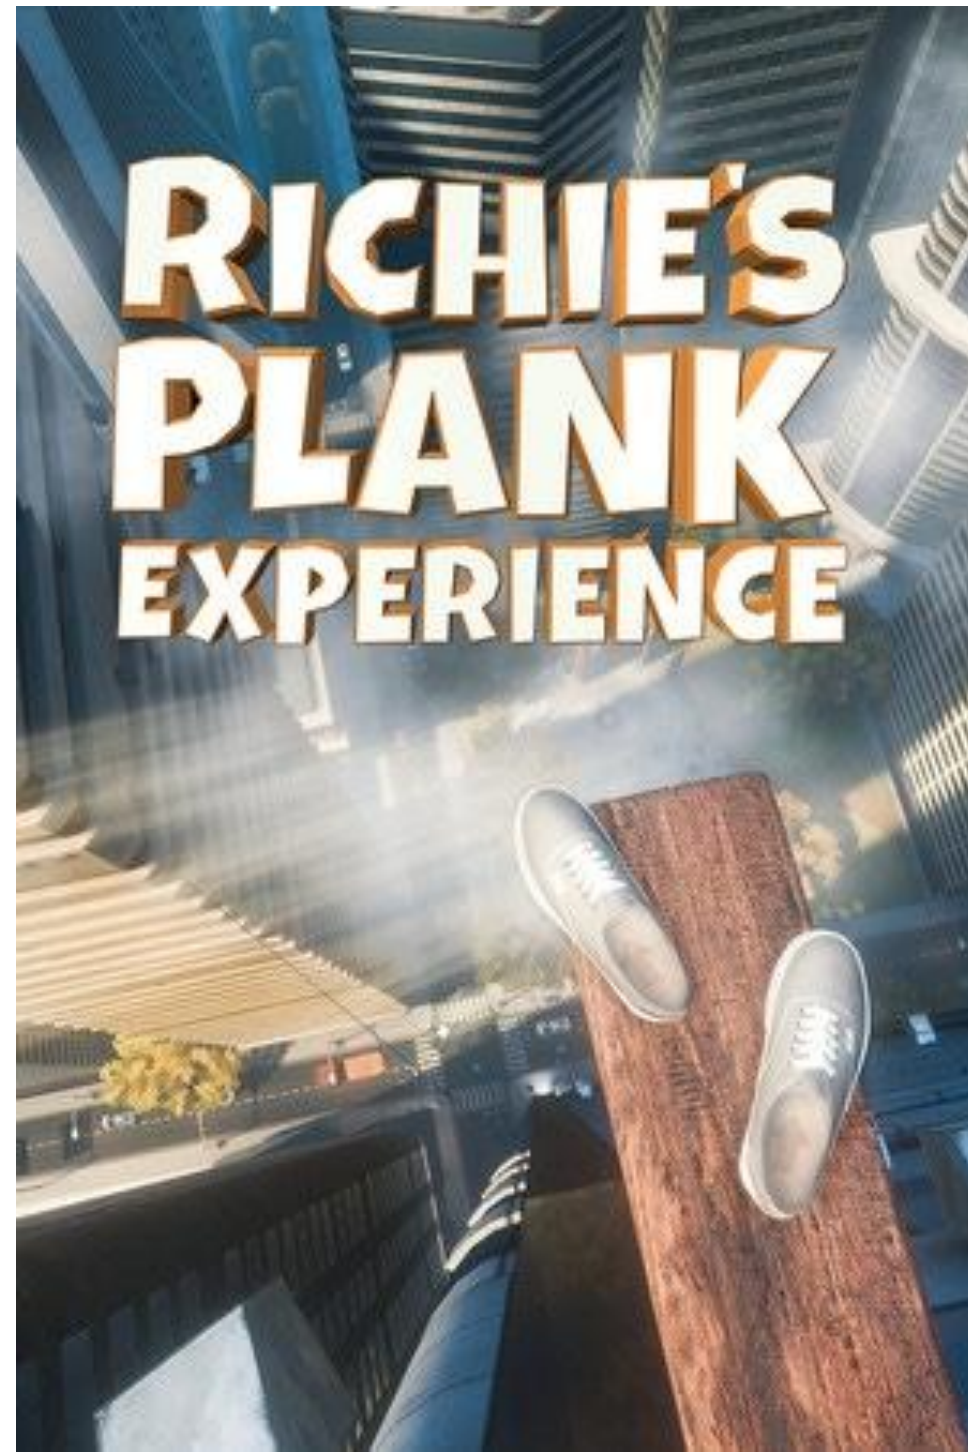

# CATCH THE STICK

A fast-reaction reflex game where guests must stop a falling stick at just the right moment. With adjustable difficulty and on-site support, it's an electrifying way to engage crowds and spark friendly competition.

# VR – RICHIE'S PLANK

An immersive virtual-reality experience that challenges participants to navigate a plank high above the virtual ground. Managed by trained staff, this adrenaline-pumping adventure delivers safe thrills and memorable reactions.

# VR- EPIC ROLLER COASTER

Guests strap in for a simulated roller-coaster experience via VR headsets—complete with high-fidelity audio and visual effects. It brings immersive, heart-pounding excitement to any event, guided by attentive operators.

# VR – CRICKET

Step into a virtual cricket match and swing for the stumps—without leaving the venue. This interactive experience combines realism with fun, letting guests showcase their batting skills in a lifelike, yet accessible, simulation.

# GRAP IT QUICK

A fun and fast-paced skill challenge where participants grasp falling objects quickly to win. Designed to test speed and coordination, it's engaging entertainment that keeps guests eager for just one more go.

# TOUCH ME NOT CHALLENGE

A playful, reflex-testing game where participants must refrain from touching a lit surface. It blends anticipation with strategy, making it a crowd-pleasing highlight at social or team-oriented events.

# CRAZY CHICKEN CHALLENGE

A whimsical challenge where guests perform quirky tasks inspired by animated or comedic actions. It's lighthearted, laughter-inducing entertainment that instantly lifts the mood of any gathering.

# THE VAULT GAME

A strategic mind game that invites participants to stop the moving in the blooming light. It's intellectually stimulating, encourages collaboration, and makes for a memorable group activity.

# CYCLONE LED CHALLENGE

An electrifying game featuring swirling LED light patterns that guests must match or follow. It's visually vibrant, fast-paced, and functions as both entertainment and a modern light-art installation.

# THE WALL BALL MAZE GAME

A dexterity-based challenge where participants guide a ball through a vertical maze. Combining patience and precision, it offers a visually intriguing and interactive diversion for all ages.

# GEL BLASTER CHALLENGE

Guests enjoy safe, foam-based target shooting in a fast-action, friendly competition. Ideal for outdoors or event arenas, it blends strategy with active fun under guided supervision.

# HAMMER STICKER

A modern take on the classic strength test—participants strike to send a marker upward toward a target. It blends excitement, physical challenge, and vibrant visuals to captivate onlookers.

# CAR RACE SIMULATOR

A realistic driving simulator that places guests in the driver's seat. With responsive controls, dynamic visuals, and competitive tracking, it offers thrilling entertainment for motorsport fans.

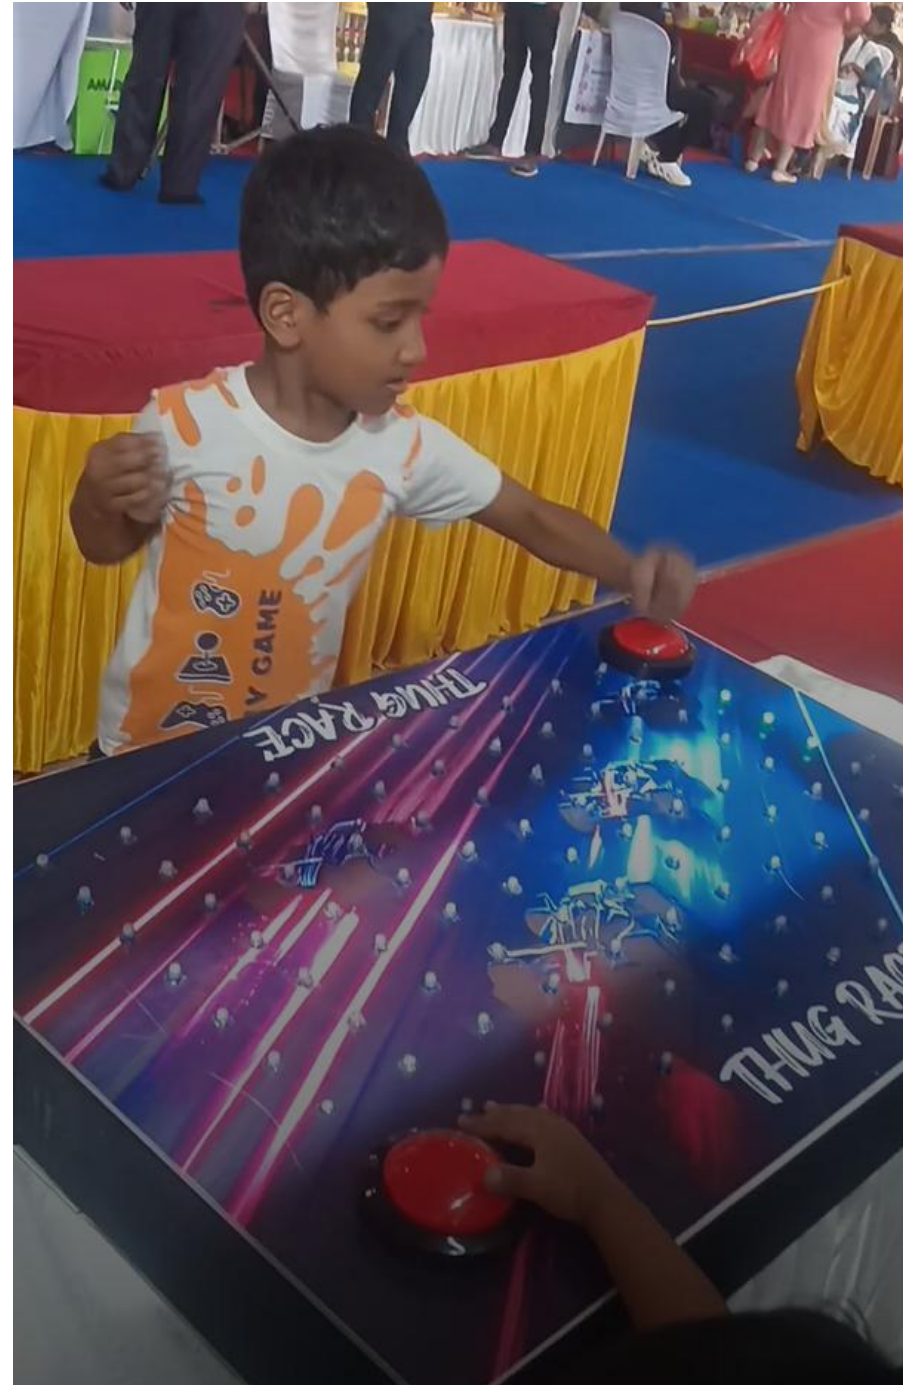

# TUG OF WAR

A timeless team challenge that emphasizes strength, coordination, and camaraderie. It's inclusive, high-energy, and a perfect bonding activity for group participation.

# THUG RACE

A humorous, relay-style race involving quirky obstacles or costumes. It injects playful competition and encourages team spirit, laughter, and memorable photo moments.

# BATAK CHALLENGE

A reflex-based game where users tap randomly lit buttons under time pressure. Its rapid pace and interactive interface make it addictive fun and a test of agility.

# AIR GUN SHOOTING CHALLENGE

Guests aim and fire at targets in a safe, well-supervised shooting game. It exercises focus and precision and adds a dynamic competitive element to your event.

# 10 – SECONDS TIMER CHALLENGE

Contestants attempt quick tasks within a tight 10-second window. It's fast, engaging, and filled with tension, prompting wide smiles and light-hearted rivalries.

# ROLL THE BALL ZIG ZAG CHALLENGE

A guiding game where users navigate a ball through a zig-zag track. Combining care and coordination, this interactive station offers engaging fun and gentle teamwork

# TOSS THE RING

Players attempt to toss rings onto targets in a classic carnival-style game. It's simple, nostalgic, and offers pleasant, approachable competition for all age groups.

# TOSS THE COIN INTO THE ARCH

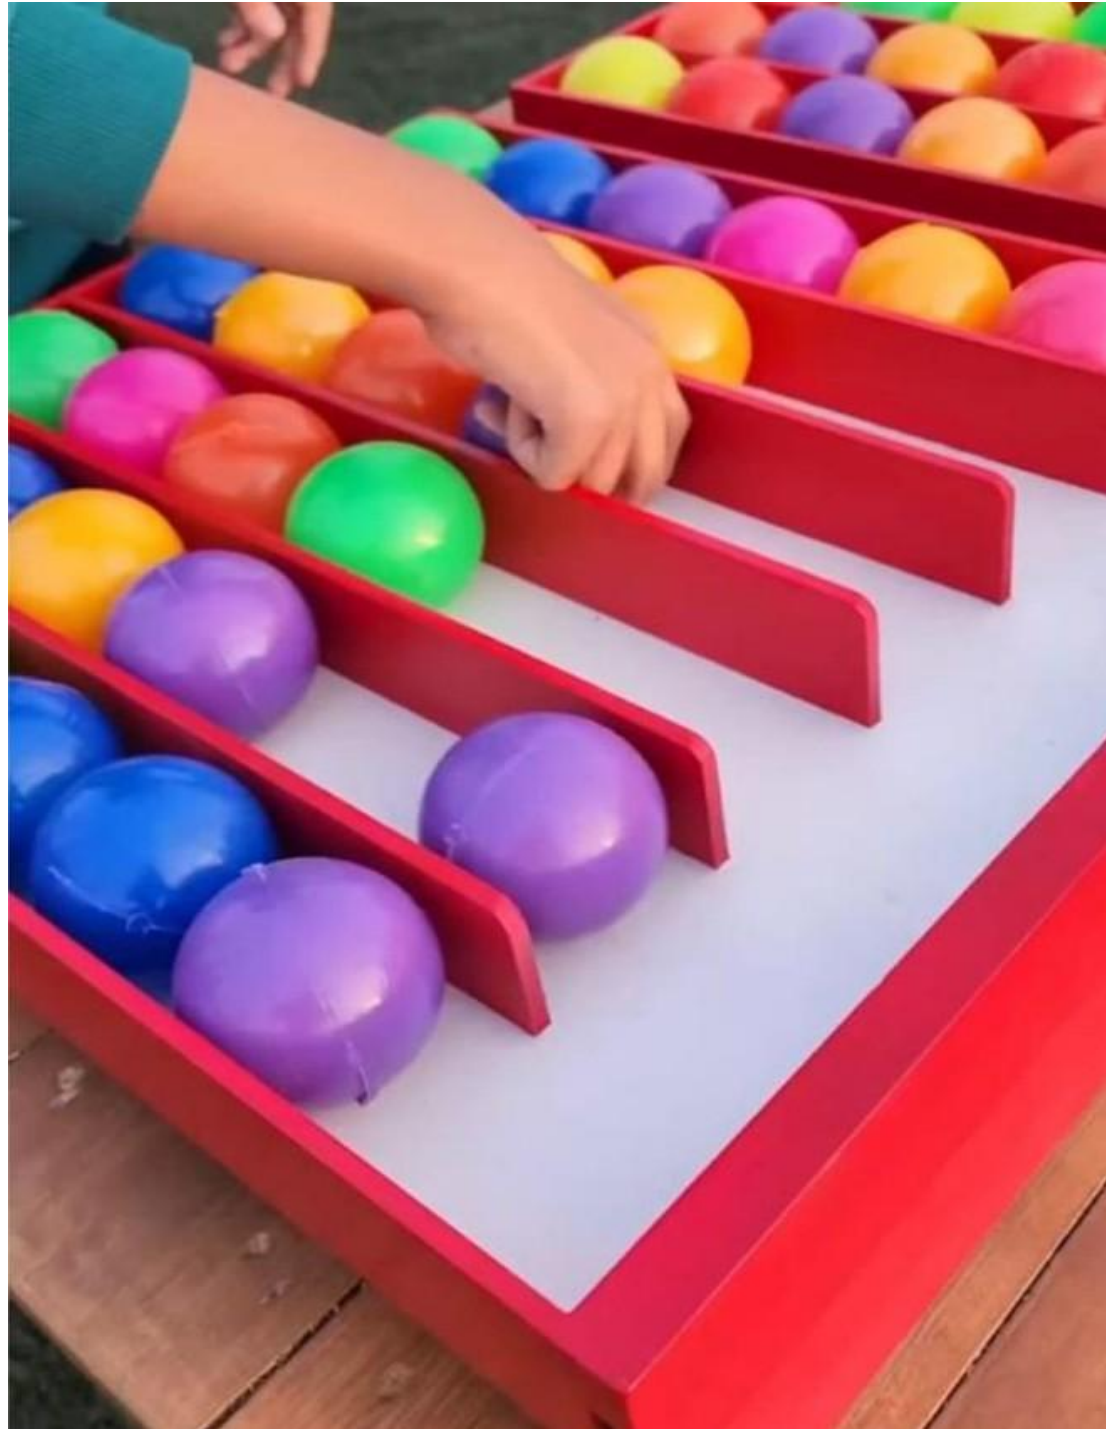

A refined twist on a carnival game—players aim to land coins into arches or narrow openings. It demands concentration, offering a relaxing yet rewarding challenge with each toss.

# KNOCK DOWN THE BALLS

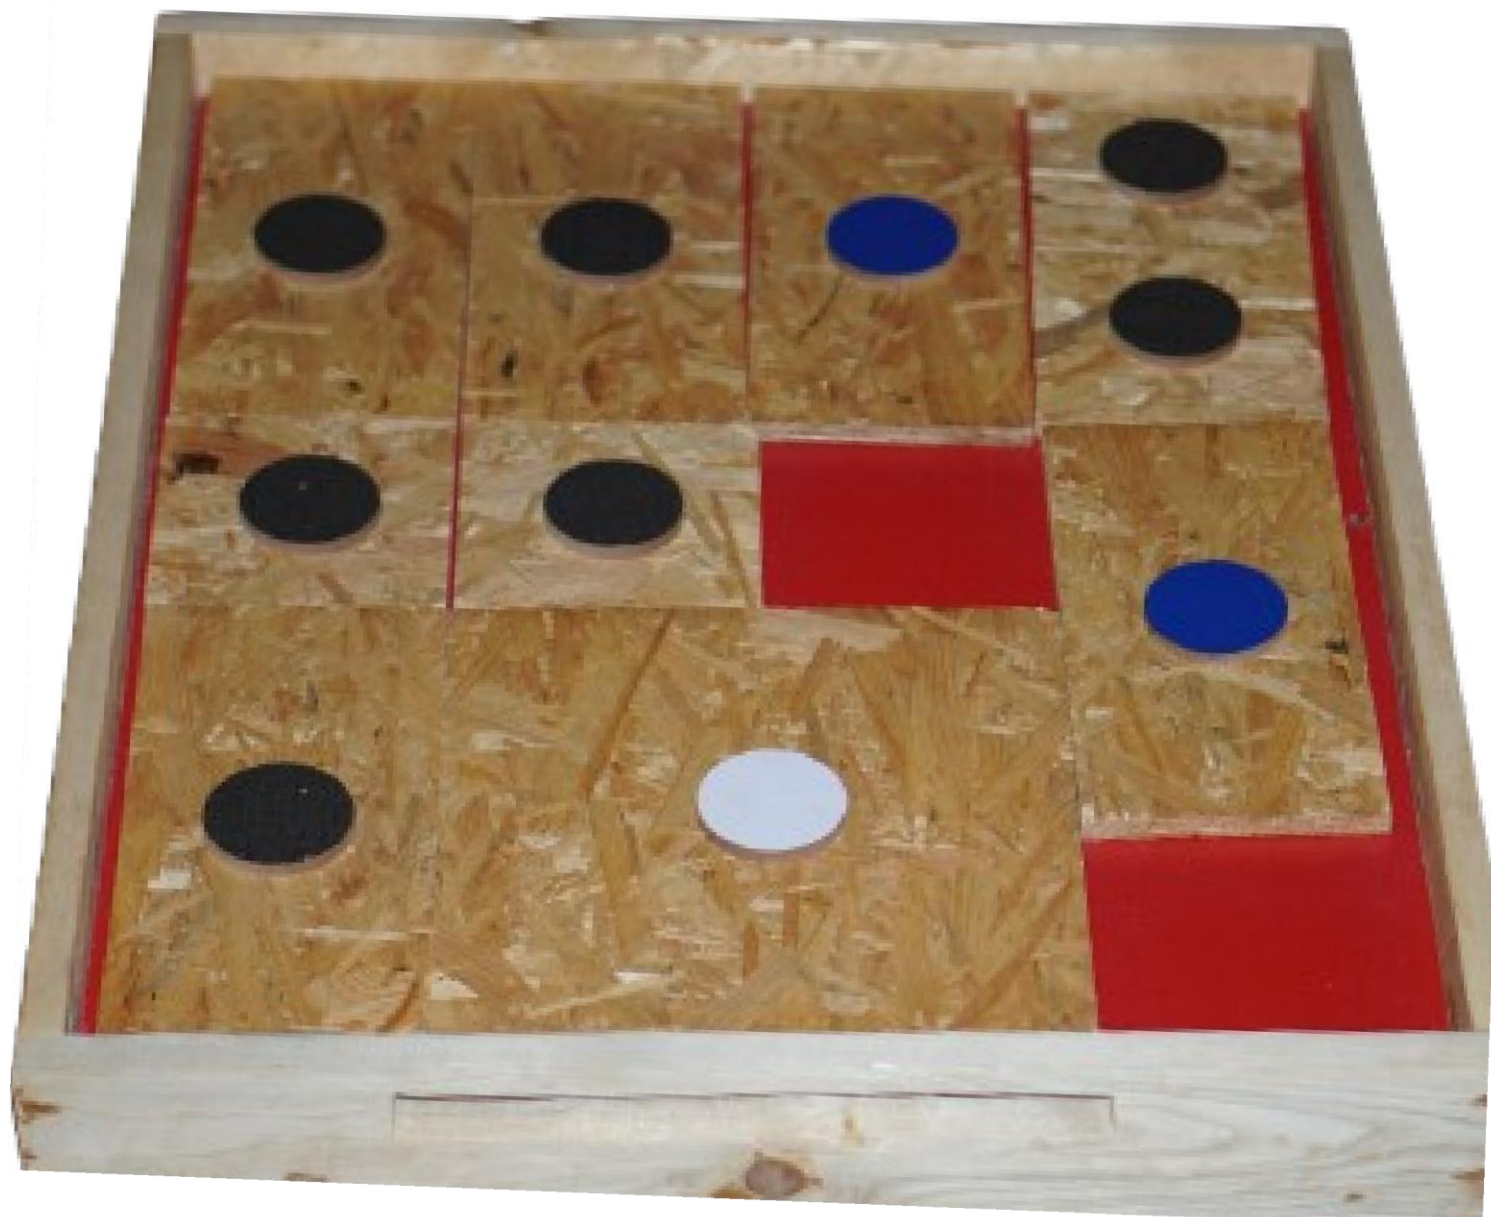

Participants launch balls to topple stacked targets. This crowd-favorite game delivers sensory satisfaction and fun competition, complete with vivid visual impact.

# COLOUR BALL MATCHING CHALLENGE

Guests match colored balls to corresponding slots under guidance or time pressure. It engages the mind and eyes simultaneously, making it a visually appealing, fun task.

# WOODEN SLIDING ESCAPE GAME

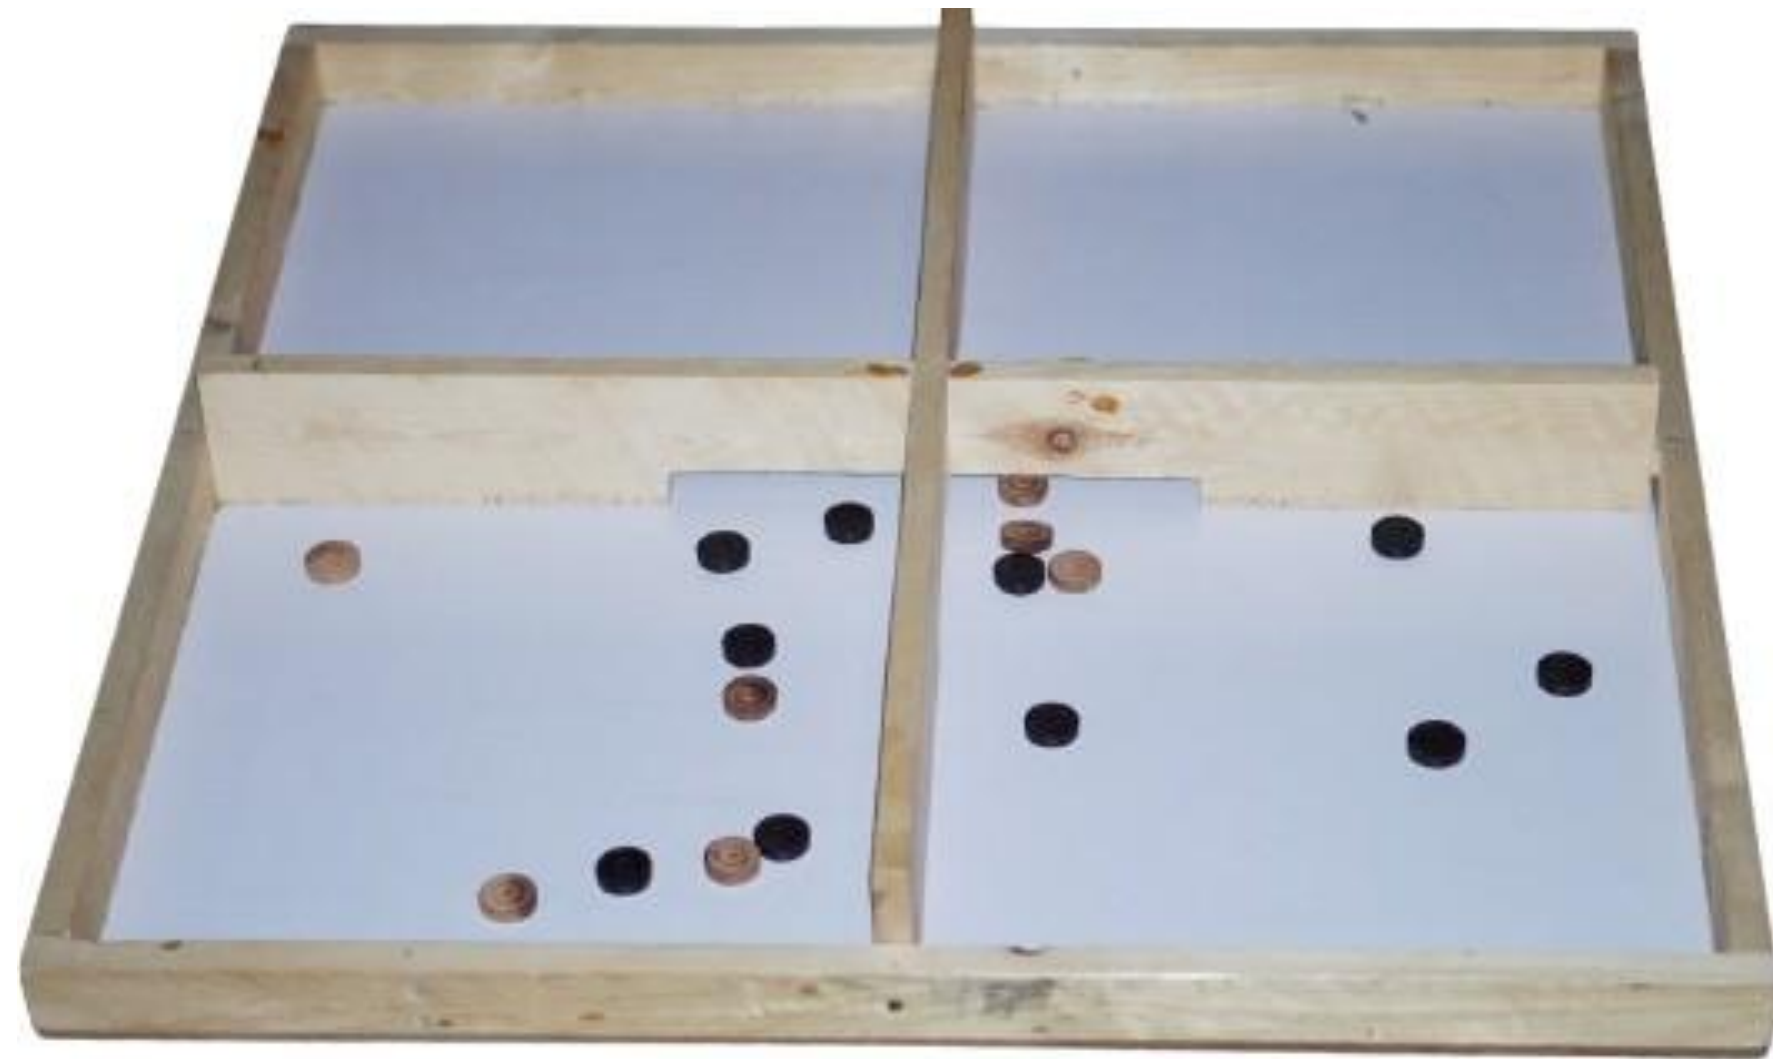

A tactile puzzle where players slide wooden pieces to unlock or escape the board. It blends tactile satisfaction with brain-teaser excitement, inviting immersive play.
